Maruti Suzuki India Limited reserves the right to change without notice - price, colours, equipment specifications, variants and also to discontinue models. Accessories and features shown in the pictures may not be part of standard equipment. Spare tyre wheel material is steel & spare tyre is 165/80 R14. For variant specific features, refer to the equipment list. Colours shown may vary from actual body colours due to printing on paper. As certified by Test Agency under Rule 115 of CMVR, 1989. 2020 sales points, 3200 service centers, 1652 cities covered by service network and over 34293 trained sales personnel as of 1st April 2017. ^The speed alert system gives audible warning for alert of over-speed to driver. When vehicle speed exceeds about 80 km/h, primary level warning with two beeps will sound every minute. When the vehicle speed exceeds about 120 km/h, secondary level warning with continuous beeps will sound. If the vehicle speed is slowed down to about 118 km/h, primary warning will resume. If the vehicle is slowed down to about 78 km/h, speed alert warning will stop. This buzzer does not indicate any malfunction in vehicle.
